**Subject:** Input for Update - EPA Liaison to Houston Mayor, 090817

The EPA liaison to the City of Houston Mayor's Office provided an update on EPA operations to Mayor Turner at the Emergency Operations Center's Senior Leadership meeting today. This was the final Senior Leadership meeting, as several city departments will be returning to normal hours and operations. The remaining agencies and departments are expected to conclude operations at the Emergency Operations Center on Sunday, so the EPA liaison will demobilize on Monday.
